## **Terms and Conditions of Instrument Usage**

The student and parent/guardian shall be held responsible for the above instrument at all times. This includes, but is not limited to, loss, theft, and damage to the instrument as well as any maintenance necessary outside of normal wear. The student and parent/guardian will be financially responsible for any repair or maintenance work performed without the written approval of a band director.

The student and parent/guardian agree to pay the district fee of \$125.00 per year for use of the above instrument (only one fee per student regardless of how many instruments are checked out), and they understand that this fee is due before they may take possession of the instrument.

The student and parent/guardian agree to abide by THS Band rules and policies concerning school owned instruments. Students who do not abide by these policies will be subject to fines, removal of the instrument, and/or disciplinary action.

The student and parent/guardian agree to return the above instrument to the band director at the end of the school year in the same condition in which it was received. The student will also return the instrument on demand at the band director's discretion due to unsatisfactory effort and progress by the pupil, removal from the program, moving from the school, abuse of the instrument, lack of reasonable care of the instrument, etc.

By signing below, I agree that I have read, understand, and agree to abide by the terms set forth regarding the above instrument and equipment. I also agree to the condition of the instrument and equipment at the time of issue.
