

Follow this link to connect with the Charms web page www.charmsmusic.com.

Under “Parent/Student Login”, type in “TimberviewHSB” (exactly like this).

Click “Enter Parent Area”.

Enter your student’s School ID Number (same number from year-to-year – can be found on report cards or other student-specific information received from MISD).

Click Enter.

Once logged in, select “Update Info”.

Verify any information and update as necessary. Please provide all information requested.

Be sure to click the green “Update” box found in the upper, right-hand corner of the screen, in order for any added/updated information to be saved. If you do not click the green “Update” box, any information changed/added will be lost.

The default screen is for student information. Please scroll to the bottom and add, verify and/or update parental/guardian information.
