NEW BUSINESS

Student leadership has come forward to asking for support for some activities outside of the games and activities. The leadership team wants to keep everyone engaged given the band is growing.

End of Season suggestions include:

- ❖ Field day type of event with games, dodge ball, flag football, etc. concessions (food trucks, etc.)
- ❖ Scavenger hunt/meal

Students were asked to come up with some dates and alternative locations in case there is a weather challenge since it will likely be in November.

PARENT QUESTIONS

Q: Have we decided where the Spring Trip will be this year?

A: Yes, it will be in state this year. More information to come at the next Booster Club Meeting. Next year will be out of state and potentially out of the country, if we can get permission from the district. That will be announced as soon as possible so students can start saving.

Q: Do we have a date for Senior Night?

A: Yes, November 8 vs. Highland Park.

Q: Parent shirts for Competitions?

A: We are in discussions with the directors on the parent competition shirts.
