## PARENT QUESTIONS

*Q: Will there be any more parent sign up opportunities to earn points?*

A: This year's opportunities have been reduced compared to last year due to the elimination of the concert band festival in May. We also did not participate with the Ranger's games which reduced sign up opportunities. Next opportunity will be UIL concert and sight reading and Pre UIL, in April. We will need bus chaperones. Students can also work floor crew for the Colorguard competitions to earn points.

*Q: Can students earn points for AVID?*

A: If they volunteer for floor crew, points will be awarded for AVID, NHS, and band points.

*Q: With 2 groups of Colorguard (Varsity and JV), initially we were told they were to be floor crew for each other. Is that still the case? Does my student need to sign up to volunteer even though she is required to be there?*

A: Depending on the competition and which group is participating. If one group is performing the other group needs to sign up for floor crew. For example, this weekend both groups are performing so we will need 8 non-guard volunteers. If only one group is performing and the 2<sup>nd</sup> group is required to be there they will be awarded points.

*Q: When will Charms points be updated? I am missing some points that have yet to be recorded.*

A: Susan will be updating Charms. You can send her an email about missing points.
